INSTRUCTIONS.

(1) Application forms received by Recruiting Officers will not be handed back again to applicants, but will be passed direct to the Medical Practitioner, who will similarly return them to the Recruiting Officer, who will then forward them by post to the Officer in Charge of the Central Recruiting Depot to which recruits are instructed by them to report.

(2) If an Applicant who has been rejected desires a copy of this certificate, it must be completed in duplicate at the time of Medical Examination, and the word "original" or "duplicate," as the case may be, will appear on top of the respective forms. Both copies will be forwarded to the Officer in Charge of the Central Recruiting Depot, where the duplicate will be impressed with the official stamp and then returned to the Applicant.

(4) Names of accepted applicants who do not report at Central Recruiting Depot within the prescribed time will be forwarded to the local Recruiting Officer for information.

(5) When alternatives are shown on the front of the form such as

(6) Only those persons who fulfil the requirements in all other respects will be examined regarding medical fitness. These requirements may be ascertained by reference to daily newspapers and official posters.

(7) The Central Recruiting Depot to which accepted applicants from various places will be sent for final medical examination will be determined by District Commandants. Recruiting Officers at outlying places will require to issue clear instructions to such applicants, informing them where and when to report, and will forward the application forms in time to ensure that they will be in the hands of the Officer in Charge of the Central Recruiting Depot when the recruit reports for enlistment.

The Imperial War Graves Commission were approached at once and arrangements made for a search to be made in the vicinity where the above named soldier, together with 3 other deceased members of the 39th Battery, was reported to have been buried, namely, Vaire-Sous-Corbie Military Cemetery, 62d.J.31.d.8.4. This was found to be identical with Vaire-sous-Corbie Communal Cemetery.

The exhumation Party located a trench from which apparently other bodies had been recovered previously. By resuming digging operations at one end of the trench 4 bodies were discovered, but unfortunately no means of identification were found on the remains. It was noted that 4 men of the 39th Battery were shown on the Chaplain's report as buried together, and as 4 bodies were recovered by the Exhumation Party it is reasonably certain that those 4 bodies are identical with the four men mentioned on that report, i.e.

1856 Dvr. W.G.MORRISSEY, 39th Bty.
35270 Gnr. J.G.BAYLIFF, "
1835 Dvr. L.V.CHANDLER, "
2340 Gnr. S.J.DUTTON, "

The Imperial War Graves Commission are satisfied that such is the case and are prepared to erect a Collective Cross for the 4 men over the graves in Vaire-sous-Corbie Communal Cemetery; the bodies will not be removed from that burial ground.

It is thought, however, that if the personal descriptions of the 4 soldiers mentioned could be forwarded it would be quite possible to identify each individual body without any difficulty. In that event a separate cross will be erected for each soldier. What is particularly desired is a description of the build of the 4 soldiers; and information regarding the condition of their teeth at the time of enlistment would be valuable. Also can it be ascertained whether Dvr. MORRISSEY, was granted leave from France to U.K. during July 1916, 1917, or 1918?

If the above particulars could be obtained from Base Records, Melbourne, it is considered that it will be possible to identify definitely the remains of the four soldiers now buried in Vaire-sous-Corbie Communal Cemetery.

Respectfully advised
