Wings to Victory is een stichting die als doel heeft het blijven herinneren van de vele omgekomen vliegeniers uit de Tweede Wereldoorlog. En dit in de ruimste zin van het woord. Herdenken is het sleutelwoord van Wings to Victory.

Wings to Victory beheert een collectie luchtoorlog museumstukken en een interactieve database over de luchtoorlog boven Zeeland.

De stichting is bijzonder actief met herdenkingen, evenementen, lezingen, rondleidingen, onderzoeken, bezoek van scholen e.d.

“The Wings to Victory Memorial Flight” is een vliegend onderdeel van de stichting.

Wings to Victory is a Dutch foundation aiming at ever lasting remembrance of the numerous airmen killed in action during World War II in the broadest sense of the word. To remember, is Wings to Victory’s key word. Wings to Victory manages a large collection of items related to the air war in the Dutch province of Zeeland. Wings to Victory also conserves an extensive interactive database of air crashes over Zeeland.

The foundation is involved in commemorations, events, lectures, guided tours, investigations, school visits etcetera. The Wings to Victory Memorial Flight is the airborne activity.
