DESPATCHE

7th August, 1923.

7 AUG 1923

Dear Madam,

I have to acknowledge receipt of your communication of 25th July and regret to state that no particulars of burial have been received at this office in respect of your son, the late No. 554 Private H. Mills, 3rd Machine Gun Battalion, and in the absence of official advice of registration it must be reluctantly concluded that the search parties have not succeeded in locating his resting place.

Where the authorities fail to recover and identify the actual remains, it is their intention to commemorate the memory of the missing by the erection of collective memorials in certain defined battle areas, and on which will be inscribed the full regimental description and date of death of the soldiers concerned.

Yours faithfully,

Captain,
Officer i/c Base Records.

Dear Madam,

In reply to your communication of 6th inst., I have to advise that unless you can furnish this office with the regimental particulars of the comrade of your son, No. 554 Private H. Mills, 3rd Machine Gun Battalion, I am unable to state whether your son is shown as a legatee under his Will. The enquiries were probably instituted by the Military Paymaster, Victoria Barracks, Paddington, N.S.W., and it is suggested you again communicate with him.

Yours faithfully,

Major,
Officer i/c Base Records.
