No.11 (R.A.A.F.) P.D.R.C. SPECIAL ADMINISTRATIVE SECTION.

A. Extracts from Notes on "Questionnaire for completion by repatriated personnel".

- Note 1. We want you to give us any information you can about your aircrew (or the officers and airmen captured with you) and what became of them after capture or casualty. If you are not sure of ~~times~~ a prisoner of war list can be obtained on application to the Orderly Room in order to refresh your memory as to individual details. ~~we will have answered~~
- Note 2. The Air Ministry Casualty Branch is anxious to get to know details of any prisoners of war who have not come back. Please write down as many names as you can remember of those who have tried to escape or have died since the camps were evacuated, or whether shot or accidentally killed. Any information of this nature which you can supply will help us to piece together details and eventually report to the next of kin of those who have not come back.
- Note 3. Information given in this report will be passed on to the next of kin only at the Air Ministry's discretion. Nevertheless details of a very secret nature such as identity or exact location of aiders are not required, but only such general remarks which may enable the Air Ministry Casualty Branch to assess the probable fate of the other occupants.

In every case be sure to state if the information you give has been learnt, not by your own observation, but through any other person, e.g. the enemy or local inhabitants etc.
