Dear Madam,

With reference to the Memorial Form "A" completed in respect of your son, the late No. 1046 Driver R. C. Gillham, 14th Field Artillery Brigade, I have to advise that the personal inscription exceeds the limit imposed by the Imperial War Graves Commission and I should be glad if you would abbreviate same or choose a shorter inscription. There is only space reserved for a short verse or text containing not more than 66 letters (less the spaces between words - each space counting as a letter). Kindly give the matter your early attention.

It is regretted that no action can be taken to give effect to your wishes regarding a photograph as it has been decided not to photograph the permanent headstones after the erection in War Cemeteries.

It is possible you could have your wish gratified by referring the matter to the National Council of the Y.M.C.A., 13 Russell Square, London, W.C., after the headstone has actually been erected. It is understood that the Y.M.C.A. are undertaking work of that description and their charges are approximately 7/6 for supplying two post cards of a headstone.

You will also be able to place a Personal Inscription on the Headstone. The idea of Personal Inscriptions is that they shall cover the expression of personal feeling and affection and be of the relatives' own choice. Please bear the following points in mind:—

- (i) Three lines are reserved at the foot of the Headstone for a Personal Inscription. The greatest number of letters which could be cut in the stone is 66, but this must be reduced by the number of spaces between the words. For instance, for an Inscription of twelve words, although the possible number of letters is 66, allowance must be made for 11 spaces between the words—leaving room for 55 letters only.
  - (ii) The Personal Inscription will be inscribed at the expense of the applicant. The current rate per letter is stated by the Imperial War Graves Commission at 3½d., and this is subject to fluctuation. An account will be rendered to the applicant at a later date.
  - (iii) The use of special alphabets such as Greek, &c., is not permissible.
- The particulars you are asked to supply on the Form are also required for the Register of War Graves which the Commission proposes to establish in London.

Yours faithfully,

G. F. PEARCE, Minister for Defence.

P. McM. GLYNN, Minister for Home and Territories.

Dear Madam,

In reply to your letter of 30th ult I have to state your request for a photograph of the grave of your son, the late No. 1046 Driver R. C. Gillham, 13th Field Artillery Brigade, has been referred to A. I. F. Headquarters, London for compliance if possible. You would incur no expense in this connection. Regarding a photo of the Village of Fontaine, France, this branch is unable to comply with your request. Probably one of the leading stationers could supply you with same.

Yours faithfully,

Dear Madam,

I have to acknowledge receipt of your letters (2) , regarding your son, the late No 1046 Driver R.C.Gillham., 13th Field Artillery Brigade, and to state no information other than the brief report "Killed in action, 31/8/18", is yet to hand regarding the regrettable report of his death.

It is anticipated, however, that official confirmatory documents , coming to hand later by mail, will contain further particulars, which when received, will be promptly communicated to you.

With regard to his military financial matters, it will be necessary for you to communicate with the Military Paymaster, Victoria Barracks, *Sydney* and same will be adjusted by that Officer.

To the officer in Charge  
of base records  
Melbourne

Dear Sir  
I wish to get advice from  
you concerning my dear Mrs  
Murray, you know when  
he left for the front - he  
made his pay payable to a  
Woman a Mrs Patterson of Division  
St. Andrew as he was keeping  
company with her daughter I  
tried to have it altered  
but I had to wait for some  
time to alter it - so in March this  
year he wrote to me & told  
me he wished me he had  
altered it - & wished me to  
draw it - for him & he said  
when I get time I will write  
to Horsferry road myself

Give me particulars of the death of your  
Cousin

of all this was in consequence  
of him receiving a letter from the  
girl telling him she was engaged  
to a man in Goulburn. With  
this woman has been drawing  
the money & giving it to me  
so will you have it made

Dear Madam,

In reply to your letter concerning your son, the late No. 1046 Driver R. C. Gillham, 5th Divisional Ammunition Column, I have to state you will, no doubt, be aware, ere this, of the news of the report of his regrettable loss.

The only information yet available is contained in the brief cable message - "Killed in action, 31-8-18." Later official advice coming to hand by mail will, it is anticipated, give further particulars and these, on receipt, will be promptly transmitted to next-of-kin, father.

Yours faithfully,

Major.  
Officer i/c Base Records.

Dear Madam,

I have to acknowledge receipt of your letter of the 7th instant, concerning your son, No. 1046 Private R. C. Gillman, 12th Light Horse Regiment, and to inform you that you will have ere this received my memo dated 13th idem advising you that he is reported as having been admitted on 3/3/1916 to the 1st Australian General Hospital, Heliopolis, suffering from discontinuance urine, mild.

In the absence of further reports favourable progress may be assumed.

Letters to your son, whilst in hospital, should be addressed as under:-

SICK

No. 1046 Private R. C. Gillman,  
12th Light Horse Regiment,  
5th Australian Division,  
1st Australian General Hospital,  
Heliopolis, Cairo,  
EGYPT.

With reference to the non-delivery of letters to your son, I have to state that everything possible has been done by the Postmaster General's Department and this Office to improve the service, but the difficulty of distributing mails to Troops on active service is very great, and is almost regulated by the exigencies of the Military Situation which is the prime factor in the War.

A Postal Corps, recruited from the ranks of expert postal employees in Australia is now on duty at the Distributing Base, Alexandria, Egypt, resulting in a great improvement in the postal system abroad.

Yours faithfully,

Mrs. Chas. Gillman,

Dear Sir

Mrs Chas Gillham

As I am very  
anxious about my son, as rumours  
are current here that he was run  
over by a Gun Carriage & his spine  
affected & I thought it was a  
wonder I had not been notified  
his name is <sup>James</sup> Donald Charles Gillham  
(No 1046) <sup>in</sup> <sup>the</sup> 4<sup>th</sup> Brigade, 12<sup>th</sup> Light Horse  
Cav, he wrote & told me some time ago  
he was in a convalescent hospital  
40 miles from Cairo I think the  
name was Helwan Hospital &  
I write every week & I was told he  
has never received a line from  
me. Will he be left
