To
Major J. M. Bean
Dear Sir/

In re your
news dated 25th ~~inst~~
received by me yesterday
30th inst. I presume the
post office official at that
port returned the scroll
to me, because we left
the district some years
ago. My husband Alfred
Gaby, died on the 11th
Oct 1919, just 14 months
after our poor son was
killed, & three months after
receiving the Victoria Cross
won by his son. I shall
be most gratified to

to receive the scroll and
will pass it on to my
eldest son, who, it is
needless to remark, will
value it very highly.
While I'm writing, I em-
brace the opportunity
of furnishing all partic-
ulars in support of
my application for the
accrues of leave money
(if there be such) due
to my step-son, the late
Lieut J. E. Gaby.

I don't think the Secy
of the U.S.S. S. I. A. could
have given your office
the information I afford-
ed his Dept (he is new
to the position) or you
would not be in ig-

notice of my husband's
death. As the late sent
A. E. Gaby & Co parents are
both dead; I am the
only person entitled to
any money that may
be owing to him.
That the Repatriation
Officials were quite
~~st~~ satisfied with my
bona fides is evidenced
by their paying in full
the gratuity in cash.
If the R. Q. T. is persuaded
I have a claim; please
forward to the London
Bank for Savings. If
I wrote for months,
I could not furnish

fuller information.
In conclusion, it appears
to me that the only question
to be considered is whether
my stepson was entitled
to leave payment. As I'm
in rather necessitous cir-
-cumstances, I sincerely
trust that that a sum
was due to him.
Thanking you in anticipation
I beg to subscribe myself
Yours faithfully
Alicia S. H. Gaby

Dear

With reference to your application for photographs of the grave of the late

I regret to advise you that notwithstanding the most exhaustive enquiries the overseas authorities have failed to locate the final resting place of the late soldier.

While no effort will be spared to further prosecute the search, it is felt on account of the considerable time that has now elapsed since the original application was received, that a refund of your remittance should be made, pending the receipt of a more favorable report.

I am therefore returning herewith to the value of £ . . . , and it will be appreciated if you will kindly acknowledge receipt by signing and forwarding to this office the enclosed receipt form at your earliest convenience.

Dear *Sir*

I am directed to transmit per separate packet post, the Scroll issued by His Majesty's Government as a memorial to those who lost their lives through the war of 1914-1918, and I trust it reaches you safely.

The King's Message, which is issued with the Scroll, is enclosed herewith.

Memorial Plaques are being distributed as rapidly as possible—only portion of our full requirements is available, due to the necessarily slow process of manufacture. If a plaque is not received it can therefore be accepted that one has not yet arrived. They will be issued without loss of time as they come to hand, no application being necessary.

It is also to be noted that **the name inscribed** on these memorials is that in which the deceased served and died, and no variation to this rule is permissible.

The favour of the early return of the attached receipt form (which can be torn off) would be appreciated.

BASE RECORDS OFFICE, A.I.F.,
12th March, 1919.

Dear Sir,

I have much pleasure in forwarding hereunder copy of extract from Second Supplement No. 30982 to the London Gazette, dated 29th October, 1918, relating to the conspicuous services rendered by ~~the~~ Lieutenant A. E. Gaby, 26th Battalion.

x x x x
AWARDED THE VICTORIA CROSS

" HIS MAJESTY THE KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned Officer :-

Lieutenant ALFRED EDWARD G A B Y .

For most conspicuous bravery and dash in attack, when, on reaching a wire in front of an enemy trench, strong opposition was encountered. The advance was at once checked the enemy being in force about 40 yards beyond the wire, and commanding the gap with machine guns and rifles. Lieutenant Gaby found another gap in the wire, and, single-handed, approached the strong point while machine guns and rifles were still being fired from it. Running along the parapet, still alone, and at point-blank range, he emptied his revolver into the garrison, drove the crews from their guns, and compelled the surrender of 50 of the enemy with four machine guns. He then quickly reorganized his men, and led them on to his final objective, which he captured and consolidated. Three days later, during an attack, this officer again led his company with great dash to the objective. The enemy brought heavy rifle and machine-gun fire to bear upon the line, but in the face of this heavy fire Lieutenant Gaby walked along his line of posts, encouraging his men to quickly consolidate. While engaged on this duty he was killed by an enemy sniper. "

The above has been promulgated in Commonwealth of Australia Gazette, No. 31, dated 4th March, 1919.

INSTRUCTIONS

1. On the occasion of an Officer's first appearance before a Medical Board for his present disability, the circumstances under which the disability was contracted will be fully detailed; whenever possible a statement of the case by his medical attendant will also be attached.

2. In recording the proceedings of subsequent Boards, the progress of the individual since his last appearance will be clearly and concisely stated so as to ensure a continuous medical history of the case being available.

3. Enteric Fever, Dysentery, Malaria, etc., contracted when on service abroad, in countries where there is a special liability to the disease, are to be regarded as caused by military service.
